THANK YOU FOR YOUR SUPPORT

Founded in May 2014, The Cambodian Rice Federation (CRF) is the leading advocate for all segments of the Cambodian rice industry with a mission to promote and protect the interests of farmers, producers, millers, distributors, and allied businesses.

The success of our organization and outreach strategy depends upon the support of corporations and private sponsors. We have been fortunate in the past years to receive funding from organizations like yours.

We hope that this year will be no exception. We'd like to ask that you consider becoming one of the Sponsors to Annual General Meeting and Election for 3rd Mandate.

As a sponsor you will receive visibility and considerable positive media attention as described in the following pages. We have included a sponsorship fact sheet and detailed sponsorship proposal for your review.

If you are interested in becoming a sponsor, please don't hesitate to contact us.

Thank you for taking the time to review our sponsorship proposal.
Sincerely, CRF Secretariat
